MEMORANDUM FOR THE RECORD

SUBJECT: Benjamin C. Marshall

1. Subject, identifying himself as the Security Director for the Select Committee to Study Governmental Operations with Respect to Intelligence Activities (Senator Church's Committee), called the Domestic Security Branch on 26 February 1975 and talked to Branch Chief, [redacted]

[redacted] The Subject indicated that in due course he wanted to meet with appropriate Agency security personnel to discuss security arrangements, i.e., secure storage, document security, etc. that should be involved in the forthcoming committee interactions with the Agency. Subject noted that a letter seeking such advance consultation would be soon sent to the DCI by Senator Church.

2. The fact of this phone call was reported to the Office of Legislative Counsel ([redacted]) immediately.

- In September 1968 he was approved for access to compartmented clearances [redacted]

Charles W. Kane
Director of Security
